Dear Mr. Gladkov,

Thank you very much for your request.

Enclosed please find the cost estimate for the treatment for your daughter Milana in the Clinic for Neuropaediatrics and Neurorehabilitation / Epilepsy Centre for Children and Adolescents.

To schedule a date for admission, please contact our secretary for our head physician, Prof. Dr. Staudt (telephone number +49 – (0)8038 / 90-1411).

We kindly ask you to transfer the estimated total cost of € 14.914,00 into the following account. We should like to point out that in case of price changes, the prices which are applicable on the day of admission will be invoiced.

Bank details:

Remittee:	Schön Klinik Vogtareuth GmbH & Co. KG
Bank:	Deutsche Bank
Bank identification number:	700 700 10
Account number:	7 317 779
IBAN:	DE97 700700100731777900
BIC:	DEUTDEMM
Reason for transfer:	Name of the patient, date of birth

This cost estimate has been provided without having seen the patient in advance. However, the duration of treatment depends on already existing complications or complications which occur during the treatment. Please be advised that this is a cost estimate and that the actual costs may be different.

Payment conditions:

A confirmation of cost coverage issued by embassies or consulates made out to the Schön Klinik Vogtareuth will only be accepted after consultation with the Patient Management.

We should like to point out that in the case of self-pay patients, the corresponding treatment costs have to be transferred into the account of the Schön Klinik Vogtareuth, 1 week prior to the date of admission at the very latest.

As a matter of course, after the patient's discharge, any remaining money which has not been used, will be credited in full.

Sincerely,

Gabi Schlegl
Patient Management
