**RE: Medical Treatment for
Polishchuk, Vitalii * 14.10.1983**

Dear family Polishchuk,

Thank you for your inquiry of your treatment. According to the medical records, which you have sent us; our physicians saw that you are suffering from a congenital heart defect and suggest that he should undergo a complex heart catheterization surgical at the German Heart Institute Berlin.

The medical classification is solely based on the presented medical records and can be revised upon the initial medical examinations.

Should you wish to be treated by the chief surgeon or by an appointed physician under the chief surgeon's supervision the estimated costs for this procedure will be:

- complex interventional heart catheterization 13.155,00 €

Should you not wish to be treated by the chief surgeon the estimated costs for this procedure will be:

- complex interventional heart catheterization 8.700,00 €

Each sum includes a maximum of 5 days (complex, interventional heart catheterization) of hospitalization. Every further day will be billed in addition with 1.600,00 € for treatment by the chief surgeon/appointed physician or with 1.200,00 € for treatment under supervision of the chief physician.
